

Zürich, June 2020

Important notice

Change in customs conditions at the Zurich Exhibition Centre

Dear customer,

since 1 January 2020, customs clearance at the Zurich Exhibition Centre will only be possible via Sempex AG, the contractual partner of MCH Messe (Schweiz) Zürich AG.

In this capacity, we ask all foreign participants and suppliers to notify Sempex AG Zurich of customs shipments in advance at zoll.zuerich@sempex.com in order to avoid longer waiting times.

In the case of checkpoint operations, a responsible person from Sempex AG will be present to receive and check the customs documents. If Checkpoint 1 is closed, you will be forwarded to Checkpoint 2, where you will find our office right at the entrance.

Immediately after receipt of the customs documents, the registration takes place at the Swiss customs authority.

Without their counter report and after the intervention time of 25 minutes, the vehicle is forwarded and can be unloaded immediately.

Vehicles arriving without registration and outside opening hours cannot be unloaded on the same day since 01.01.2020 and must wait.

It is important that you follow this procedure in order to avoid problems.

If you have any questions, please do not hesitate to contact us. Our Helpline, which you can reach at +41 58 307 77 60, is looking forward to your call.

Kind regards

Sempex AG Zürich

Daniel Bataller
Head of Operation Center
